“ I will miss seeing Opal around town. She always went out of her way to say hello to me and remembered who I was (which was pretty darn good for her age). I always told her to say hi to the girls for me. I remember fun times staying overnight at your place when we were in school and good times at church camp. I am so sorry for your loss. “ I was so sorry about the loss of a very dear friends. We had many visits over a cup of tea. We shared many memories together. She was a very wise woman and always there to answer any questions for me. I was happy that I took the time to visit her 2 days before she went to the Lord. I was able to hug her and say "I love you". My prayers for Toni, Sally and all of her family. I was Blessed that God brought her into my life !
