

Paul Kirk Hills

March 5, 1971 - November 22, 2021

Paul Kirk Hills, age 50 of Clare, passed away Monday, November 22, 2021 at the Mid Michigan Medical Center in Clare. Paul was born the son of Kirk and Judy (Horn) Hills on March 5, 1971 in the Philippines; but having spent most of his childhood and adulthood living in Clare. Paul had a love and passion for culinary arts; as he worked locally at Buccilli's Pizza being a manager and creating different things out of the pizza boxes. He also took on another creative adventure in working at Four Leaf Brewery, making and developing tacos for Taco Tuesday and making a wide range of soups during the week. Paul had a love for dogs; especially for the Beagles which he gain that love from his Grandpa Hills. One thing to note it all his dogs were named after Star War characters, which really showed his passion for the love of Star Wars, but to only the original episodes. His love of Star Wars was brought down and was shared with his nephews.

Paul is survived by his parent's Kirk and Judy of Clare; his sister Alice (Paul) Cotton of Alabama and his nieces and nephews whom he loved more than anything; Aurora and Christian Cotton who live in Farwell and Nathan Cotton who lives in Alabama with the parents. Paul was predeceased by his grandparents.

To state a quote from Star Wars that expresses more meaning now than it ever did before: When gone am I, the last of the Jedi will you be. The force runs strong in your family. Pass on what you have learned- Yoda

“ *I met Paul years ago through Taco Tuesdays at Four Leaf Brewing where he conceived and prepared a very unique and ever changing weekly menu of delicious food. He was part of the brewery "crew" of close friends that I was proud to become part of. Paul was as interesting and unique as the food he prepared and I am so happy to have become part of the same inner circle and proud to have called him a close friend. Love you Paul and I will most definitely miss your friendship and your sense of humor. Rest in peace my friend.*

“ Paul was a cute little 4 year old when I met him, his sister was 3 months old, and I was 8. Grandma Kile (Doris Kile) was hired to take care of him and his sister while his mom and dad were at work. Through the years we all grew up together and I considered Paul and Alice my little brother and sister. It was amazing watching you grow up to be the person you became. He loved Star Wars and I think he had every Star Wars Lego that they ever made. Paul's family became my family throughout the years. He love his family and his beagles. Paul you will be missed very much by all who knew and loved you. Sending our love and prayers to Judy and Kirk and Paul and Alice Cotton. Rick and Leisa (Kile) Carnahan and Family

Paul was my neighbor and friend of my sons...he would come over and sit on the front porch for hours..He didn't talk a lot. He was a thinker...I miss him. Randy kozak
