“ *Such a beautiful person. I never saw her without that gorgeous smile. She had a zest for life and compassion and love for people that went beyond anything we could imagine. Even in her years at Farwell High School, she was a leader with love. Anyone who ever met Paula will be blessed for a lifetime. May God hold her loved ones close to His heart. May the angels welcome her to paradise and may she rejoice in the face of the Lord!*

“ *I first met Paula when she was working at Chemical Bank Clare West and I was working across the road which was then Gateway Chrysler. We became fast friends, she was just so easy to like. She helped me through some rough times and was a constant cheerleader during them. She was just a wonderful person. Glad I saw her couple of times here just recently. Meant a lot. Rest in Peace my friend.*
