“ *Phyllis was the type of person you liked instantly when you met her. We established a bond right from the start. Maybe it was because we shared the same first name or maybe that's just who she was. Dave and her loved on our family from the beginning and even though we moved 1800 miles away we would keep in touch. I will miss her laugh , her love for our family, her prayers for us. She was special to me and I will always remember. Love you Dave, Steve,Pam and Beth now it's my turn to continue to pray for you all.*
