“ Uncle Ray, you always had such a happy and relaxed demeanor. You were the Uncle who introduced us to tacos(you told Mom how to make them) loved them then and love them now. The last of one generation of Amyots, so many memories of backyard barbecues and family get togethers, the excited outpours when the new batch of cretonnes were served at Christmas. Many good memories that I've come to appreciate more the older I get. To Steph and my cousins, I hope you all find comfort in your own memories. I wish you all well.

“ Grandpa you were a kind, caring, generous, jolly, and loving person. You left us all with the gift of many fond memories of you. Some of my happiest, most carefree times were with you and Grandma at your home on 5 Lakes. When I think of you in my mind, I will always picture you at the steering wheel of your pontoon boat with your hat, a cigar, and a big grin. Love you Grandpa!

“ To the family of Ray Amyot, my sincere condolences. I shared many happy years and memories with Ray as part of the "Free Press" family. In those days, "fun" was just a daily part of the daily routine. Stephanie was a part of those days. I remember when Ray and you were married. Too many happy times to mention. Ray was fun, a devoted friend that I will always remember. May God be with your family in these trying days.
