

Raymond "Big Ray" Haywood

July 2, 1980 - February 24, 2021

Raymond "Big Ray" Haywood, age 40 of Harrison, passed away unexpectedly Wednesday, February 24, 2021 at the MidMichigan Medical Center in Clare. He was born the son of David Michael Haywood and Jacqueline F. Paquette on July 2, 1980 in Dearborn. Big Ray was influential in the Detroit and local music scene being the Front Man, Sound Wave Generator and Maker of the group, "Big Ray and the Motor City Kings" since 2007. He loved music especially playing his saxophone; he liked to fish, read comic books, and spending time tending his garden and flowers. Above everything else, Big Ray enjoyed spending time with his family and the cherished times he spent with his son Weston.

Survivors include his son Weston; his parents Jacqueline (David) Schmidt of Farwell and David Haywood of Taylor; his Fiancée Charlann Walker of Harrison who he became engaged to last summer; his sister Megan Renee Haywood of Westland; a friend like a brother Jason Bone; Weston's grandparents Jim and Nancy Price and several aunts, uncles and cousins. Big Ray was predeceased by his maternal grandparents Robert Paquette and Florence Schick.

“ To Rays Family and Son, You have my most sincere condolences and my heart is saddened at his loss. He was a wonderful man, and I know he was a great Father!. I was just messaging him a few weeks ago about life and getting to play some of that great music that he loved. I played in the Blues Breakers Band in Houghton with him, and had some great experiences during that time. In that group we were able to play some great music. His Love for the Blues and great fellowship will never be forgotten. I have a few recordings we did at that time that are played for my children often. I pray that God will grant you solace and guidance.

I'll never forgot meeting him up at Michigan Tech. He said "wait..your name's Showler? Do you play any instruments?". I ended up in a band with him for 2 years.

Awesome sax player! He was one of our favorites to see play several times in the summer. His band and his sax never got old. He's leaving a big hole in the music scene that's for sure. He touched a lot of people with his music. His son should be very proud!

I too just heard of Ray's passing from Motor City Josh. Wow, what a talent! Saw him for the first time in Allen Park on a cold winter's night. I followed them ever since. Saw him downriver a few times after that. He was great and so young to leave this earth. Still can't believe it.
