“ One of my favorite fall activities was leaf clean up with great neighbor. Dont worry Dick I picked up all the sticks from the last storm and we will do it again someday soon. For now Your spirit lives on and you will always be remembered. Love Mark Lori and Luna.

“ Dearest Marie, Milton and I pray for God's comfort for your and your family during this difficult time. It is never easy to say goodbye to those we love even though we know they are in a better place. We are with you in spirit. We love you!

“ Uncle Dick was such a caring, intelligent and kind uncle. He was fun to be with and had a deep knowledge of many things. Uncle Dick was genuine and easy to talk to. My husband Mark and Uncle Dick enjoyed talking about their favorite subjects; sailing, fishing and hunting. ❤️. I had a great respect for my uncle and was in awe of his paintings and artistic talent. He adored his family and we will all miss him dearly. He was an excellent example of Christian love in action. While our grief is deep for his loss, I know he is safe in heaven and probably sharing a story or joke with my dad, all my uncles, and his family. Probably making a bunch of new friends too. Love you Uncle Dick. Xox

“ *I, as a young girl, will always remember how handsome Dick was in his Navy uniform. He was always teasing me in a fun way. You could easily see how much in love he was with my cousin, Bert. God's Blessings to the family!💕💕*
