“ I only had a small window of opportunity to know Richard, he retired only a short time after I got to know him. He had a way of always keeping things funny and light, and he sure was fun to be around. I send you all prayers and hope you find some comfort in your pleasant memories of Richard.

“ Rick, John & April,

*I love you and can offer my arms for hugs and shoulders to cry on, your dad was a unique man in his own way, his hugs and laugh we will miss but be blessed the pain is no longer there, so next time you feel a brush across your face or a butterfly that keeps coming around know your dad is just saying hi and he's just fine*
