“ I have so many good memories and wanted to share a couple. Dick and I were "married" in Home Ec class at Clare HS. Yes, we had to dress the part, walk down the aisle and even kiss! We somehow got "voted" in to do this. Every time we seen each other through the last 35 years we talked about it. Haha. I also remember more than once climbing into that classic red car and jamming as many ppl as we could in there just to ride "in style". Dick you were my life long friend and I will miss you!! I know we all will and I will pray for your family through this difficult time. RIP I love you! ❤️
