“ I am sorry that I cannot be there with all of Rick's family and friends. It is so long since I have seen all of you. Not since I was a kid in fact and I surely miss those Summer visits to the dairy farm and tractor rides sitting next to Rick while he drove the tractor. Life has a way of swallowing all of us up, or sucking us into the center of a whirlpool and it is sometimes hard to swim back to shore to see what is most important to us. Then time does it's work and races by so fast that we can hardly keep up with it. I deeply regret losing touch with all of my cousins in Michigan, but only have myself to blame, but I deeply cherish my memories of Rick and all of the rest of you and my heart goes out to all of you during this time of loss. I hope that all of you can remember Rick like I do, from the fond days of my youth. Or that you can find other times during your lives when you loved being with Rick, as much as I enjoyed those Summer visits, or even more, to warm your hearts and lift your spirits when you think of him. I wish I had made more of an effort to visit Rick and all of you during the last several years and promise to come see all of you soon. Please accept my love and wishes for you all to rejoice and celebrate Rick's life together. I am thinking of all of you. Love, David W. Morris###imported-begin###David W. Morris###imported-end###
