“ *Every memory I have of Uncle Bob is his smiling face and infectious laugh. You couldn't help but smile when you were with him. I also always admired the love Uncle Bob and Aunt Toots shared. It was like the sun was shining just for them. I wish there was a way for me to be there to say goodbye, but please know all of you are in my heart and I am sending my love. Kim*

*When you and my sister were dating, we would load your convertible with friends, top down, music blasting, and cruise. When we could we stop and dance in the middle of the road. Those were the good times...*
