“ I enjoyed the long talks with Bob at the Allstate office and the home visits with him. He had a lot of spunk!! Sure am going to miss his talks about his shooting, and the sail boat in FL. Prayers to his family.

“ I always had respect for Bob. He always treated me with respect. He was a life force. He had his own way of looking at life and doing things. He was stubborn and opinionated but, I found those qualities endearing. He will be missed. My thoughts and prayers are with the family during this time of loss.
