“ Dear Carol,

I am saddened to hear of your loss and offer my deepest condolences to you and your family! I didn't know Bob but he had a talent I have always admired. I am amazed at how a person could take an old, Rusty vehicle and make something beautiful out of it! May God bless you all with peace and comfort in this difficult time!

“ ‘Ole Bob ...I met Bob and Carol over 20+ years ago when my brother introduced Bob to my husband, Doug or should I say “Dougie”. Bob was then a visitor often. Bob and Doug shared a passion for hot rods and loved getting together to see what the latest project was all about ...often times we would hear Bob say “I’m keepin’ this one!” It’s too nice “I ain’t lettin’ this one go” and 2 weeks later he would stop by with something new he traded the one he said he was keeping for....you could always count on Bob for change! One thing I love is that with his frequent visits he always noticed the kids and how much they had grown and was able to see them grow up over the 20 plus years of visits. He will be greatly missed ...his phone calls looking for Dougie to tell him about his exciting news of what he bought or requesting Doug come by for a visit to check out the progress on the latest hot rod. I cannot imagine the hole he is going to leave behind for many. My happy thought is that he is up there with the loved ones who left before him and the hot rod he loved the MOST!! Our thoughts are with the family during this hard time.
