“ *If you are the Bob Walker I met in Chandler, AZ, I've been looking for you to say I'm sorry. We were young, and I was dumb, and I'm sorry I am too late to tell you. I pray you've had a good life. RIP*

“ *Met Bob at Pima College in 1973 and we became close friends. He stayed in his camper at our place in the Tucson Mtns. with his 2 German shepherds. His was a man of all skills. Great sense of humor and a joy to be around. After he moved to Oregon he would still visit on his trips to AZ. He made it a point to call and email to keep in touch. Our condolences to Deb and thanks to her for loving and caring for Bob.*
