“ Sending prayers to all of Robins family. I've known Robin since I was about 10 years old. Her, my mom, and Carrie all started up Pamida together. I remember hanging out at her house, and having get togethers at Carries, and swimming at Stevenson lake. She was always so nice, and would do anything for anyone. She will be forever missed ❤️

“ I was so sorry to hear of the passing of Robin. I have known Robin for a lot of years and graduated high school together. She was the sweetest, kindest and most genuine person I knew. She was an extremely hard worker, loving mom and proud grandma. I admired her for how she handled herself with such grace and dignity throughout her illness. My heart goes out to Robin's children, Ashley and Nick, and all of Robin's family. She left such a lovely legacy for the amazing person she was. God Bless!
