*My Dad had asked me to make him dumplings one time and he said to call Aunt Rose and ask her how to do so. She did and laughed because I didn't know how to and I was in my 30's. I also remember when VHS first came out and they had all the movie channels and Aunt Rose would tape every single movie that played and then go through her shelves of tapes and say "take some to watch". Plus her love of owl stuff! I could never figure that out, those things are creepy looking! The best thing, was you could always enjoy a cup of coffee with her and hear stories...no matter what time, day or night!*

“ Best memories of Rose 🌹 is her cooking and telling stories of what happened when the chicken 🍗 ended going out through the top of the pressure cooker bones and all. I never laughed so hard. Going to be greatly missed.

*Some of my fondest childhood memories surround you and your family. You showed me that sitting around the table drinking coffee is together a very relaxing and stimulating part of life and friendship. You were there for my mom in one of her most difficult times and for that I will be forever grateful. You will be missed.*

“ *I can remember being with Jamie Lynn at her house while Mom would be recording her shows but my most find memory is getting pulled over and having to call her to come drive us home but she couldn't drive a stick shift so the officer left and Rosalie & I traded spots again and I drove home anyway, she certainly is a most wonderful, caring, loving woman that if you needed her she was there.*

*I chose blue because that was my grandmother's favorite color. It's my way of expressing acknowledgement of the value of your mother to you because there was nobody more valuable in my life than her. And my way of saying I understand the profoundness of your loss. My heart bleeds for you Jamie. But I promise...you will get through it. And I will always be a phone call away if you need me. My thoughts will be with you always...especially through this trial. Love you tons and I'm so incredibly sorry for your loss.*
