“ I had the greatest honor to care for her. She is one of the kindest, sweetest people I have the honor to care for.

“ I got to know Ruby when she was at medilodge. I was the transporter at the time. Ruby had the heart of gold and was so very thoughtful of those around her. I always cherished those hugs of hers every time I came to work. She was one of those residents you just grow a place in your heart for. I will always remember her saying “baby girl, don’t work so hard” and ask for a hug before I left my shift and getting a bear hug when I told her I was leaving the facility for another job and she said, “you will be missed but you will be a great addition”. It was a true honor knowing Ruby. Sending many prayers to the friends and family.

“ *Little Derold and family know that I am thinking of you during this loss. Aunt Ruby was a very sweet aunt with the accent I loved to listen to when I visited. She will be greatly missed but blessed to have a sweet Aunt that I was able to know.*
