“ *Being a somewhat wild friend of Katie's in HS Sandy and I sure had varying feelings about each other. But when you look at a mother and see how deeply she loves her children and how much her children love and appreciate her you KNOW that's the true measure of a woman. I feel blessed to have known the lady who made one of my best pals the sting lady she is today. Wishing you ALL God's love and comfort through all of this.* ”

“ *Sandy was the mom I needed in high school. Her home was always so warm and welcoming, and her family was like my own. The world has lost a great light. My heart goes out to Emily, Katie and Sean.* ”
