“ *Though I have not seen my Aunt Sandy or her family for years. I have great memories of her from when I was a young child. She was always such a sweet loving person and even with all of the years and distance there will always be a place in my heart for the love that she always had for her family. I love you Aunt Sandy. My prayers and thoughts are with her family as they go down this difficult road. She will always be with you in spirit and guiding you as your heavenly angel!*

“ I will miss everything about her. I hope I can be as loving as caring as my grandmother. I know I have been blessed with her patience and back seat driving etiquette. Wont be the same without her, until we see each other again.

“ I don't know Sandra real well, but what I do know of her is this. She
always loved up on the little ones and she made me feel welcome
when we would be at family outings. She is treasured by anyone
that knew her. I pray for peace and comfort for her family.
