“ It was an absolute honor to have known Sharon. She was absolutely everything everyone says about her, and then some. For over 10 years... I would see her regularly when I passed through accounting, and we OFTEN would talk about our grandkids. She was an absolute gem and my heart and prayers goes out to the family. Fly high my friend... It was an honor to work with and know you.

I am so very sad Sharon and I worked together over 20 years and became good friends. We watched each others children grow up and she was extremely caring when I lost my folks and got hurt in an accident. My heart breaks for the family who has had more then their share of sadness. Rest in peace my friend.
