“ *I didn't know you personally but my brother Jared Shea really enjoyed you as a good friend. He would talk about you all the time and talk about how funny you were and how much you made him laugh, to cracking jokes and drawing funny pictures during school. Jared and many others will miss your laugh and humor that you shared towards many people. RIP Shaun and just remember the people who did, karma will kick you straight in the rear and make your life very unhappy.*

I hope Jared stays strong and knows that Shaun is watching over him
