“ I remember your mom had come over to visit and Jim was getting used to new leg braces but Shirley showed no pity and her son, whom I could not see into the future ever able to walk without assistance. She knew better. She had a good, sound and sensible mind. She acquired a splendid attitude — a right spirit — passed to her sons, that survives death, and will still be hers in the resurrection. She lived a wonderful life as an example to us all. But, "as in Adam all die, so in Christ shall all be made alive" (I Cor. 15:22) — the same all who die. In the very next second of her consciousness, Shirley will awaken in a resurrection. There is just one thing we can take with us when we die — a righteous character. A beautiful and fine character is worth more than all the money in the world. That is "the true riches." A woman like Shirley Hatch did not live in vain — and shall live again! There is a big empty spot in the Hatch home now and in our souls. Shirley is no longer there. But, though of course we grieve, we "sorrow not, as others which have no hope" (I Thess. 4:13-18). We're grateful for the life she had — we look forward in anticipation. We shall see her again!

“ We are so sorry that Shirley had to endure that awful cancer.. We cannot wish her back only if she could bell well and her happy self. Do you remember Hatch how you told Jim and I that he never brought Shirley with him because she was so FAT and then went back to Clare and told her that Jim never took me along because I was so Fat. Finally one day Shirley came to Scottville and stopped by the Insurance office where I was working, she came in and I ask her "can I help you", she said I am looking for Freda Henry both of us went quiet, she said boy Hatch better look out when I see him tonight, I started to laugh and then we compared stories. That of course lasted for many years.

*Yours truly,*

*Jim and Freda Henry*

*Duane, Jim and Gary we will have you in our prayers. Love you all*
