“ I've only known Shirley for about a year, but she made a true impression on my heart! When Shirley walked into a room, the energy would change. Her presence would command fun and excitement! She was spunky, funny, and always spoke what was on her mind. The world is a little less bright without Shirley and her zest for life.

My deepest sympathy to those who loved Shirley, and to those whom SHE loved. Just as she lived her life with great zeal, so did she love her family and friends. Until we meet again in Heaven, Shirley... God speed!

*Blessings,

“ Shirley and I were friends for a short time, but during that time we became very close. I am sorry that I was not able to visit her while in the hospital. Shirley was very well liked here at American house, And I will miss her terribly. With my deepest sympathy to the entire family.

“ *When I think of Aunt Shirley, I think of a woman who just loved living, she was open minded and a good listener, but always had to tell you exactly what she was thinking on the subject. She loved her family and was strong in spirit along with unlimited determination. These are just some of the things I will always remember about our conversations. I don't know anyone quite like her, she will be missed. Peace unto her family and friends at their loss.*

“ I had to say good by to her on 4-6-18 and
face the reality of it today....
you will be missed ...
what more can I say....
Love always, Faith
see you on the other side.
Thought of these song words below...

*Goodbye my friend it's hard to see you die
When all the birds are singing in the sky
Now that spring is in the air
Pretty girls are everywhere
Think of me and I'll be there*

*We had joy, we had fun
We had seasons in the sun
But the wine and the song
Like the seasons have all gone*
