

Sue (Sheponski) Fitch

September 20, 1946 - September 28, 2021

Paula “Sue” (Sheponski) Fitch, age 75 of Port Orange, FL., passed away peacefully on Tuesday, September 28, 2021 at the Halifax Hospice Home of Port Orange, FL. Shortly after her birth on September 20, 1946, Sue was adopted by her parents Paul and Betty (Groves) Sheponski of Clare, MI., where she spent her entire childhood and teenaged years. Immediately following her graduation from Clare High School, Sue’s adventurous nature took hold, as she struck out on her own and moved to West Palm Beach, FL. Although she spent a brief time working for Lowe’s Home Improvement Co., Sue’s work career largely focused around the food industry. For many years, she served as a Wendy’s Restaurant manager in West Palm Beach before moving to Port Orange to take an employment opportunity with Checkers Restaurants in 2010. Those that knew Sue well, knew of her love for Florida beach trips and her immense passion for crafting. Sue wasn’t one to ever miss a good flea market or thrift shop visit—as she was always on the hunt for pallets and other treasures that her crafting expertise could breathe new life into. Sue also loved to be outdoors tending her flower garden, and when she was satisfied with the way her garden looked, she’d start in on all of her park neighbors gardens next.

Sue’s feisty spirit, infectious sense of humor, loyal friendships, and hugely generous and caring heart will be greatly missed by her many surviving cousins and dear friends.

In keeping with Sue’s wishes, cremation has taken place. A graveside service

will take place in honor of Sue at her final resting place in the St. Cecilia Catholic Cemetery of Clare, MI. at a date and time yet to be determined with Monsignor Francis Koper officiating. Memorial contributions in memory of Sue may be directed to the Stephenson-Wyman Funeral Home to assist in facilitating her final wishes. For those unable to attend services, online condolences may be shared at www.stephenson-wyman.com

“ I’ve sat here for days trying to find the words to describe my friendship with Sue. Bob and I met Sue about 9 years ago and instantly took a liking to her for the reserved loving friend she was to all. She was generous to others and did what was needed for anyone in need even when she needed the help more. She was always upbeat and positive. She never whined about her problems just got on with life. I relied on her cute “morning” memes to keep me informed on how she was. Bob and I will miss you dearly Sue Sheponski-Fitch💔🙏 love you your friends Bob and Phylis

“ I knew Sue in West Palm Beach area for years! We played golf together and shared lots of fun times!!! There was a time Sue was a distributor for vending machines and I would do her rounds with her and my dog Bertha....a 80 lb rottweiler! I followed her to Costco, then Lowe's, then Wendy's after I left Florida. All of my visits back to WPB included Sue. For all of our friendship we hanged over the Dolphins and the Chicago Bears.....my heart is aching. ❤️😭😭
