“ Aunt Thelma, Thank you for being such a special aunt to me, I will miss our weekly phone calls, our private conversations, and you were always there when I needed some "motherly advice". I will miss our lunches at the Nest when Doreen and I came for our Saturday visits. I will cherish the memories we made with our annual Christmas shopping trips with Sheryl and Lori and oh the laughs, most of the time we didn't even know what we were laughing at, but we sure did laugh. I know how much you missed Uncle Larry and now the two of you are back together in eternal life. May you Rest in Peace and hug my parents and brothers for me. and be sure to make Dennis the hottest bowl of chili ever!. I will love you very much and I will sure miss you! Your loving niece, Darlinda
