“ As one of the four known Thomas Creguer’s in our family tree even though we didn’t share many times together the few we did were very special. I was blessed to have a few college night dinners together to catch up and share some stories. The very first time he called me, the humor he enjoyed when he called and introduced himself to “himself” was hilarious. I could feel him smiling through the phone.

“Tom Creguer, this is Tom creguer...I think we should meet”. He told of how his buddies would find our name in the paper for something associated with cmu football and the jokes would run from there considering one of the Tom’s were in their sixties and still playing football 😅😂. An example of his youthfulness he remarked!

God got a great one this weekend. We will do our best to carry on our name!

“ Dear Uncle Tom:

While I didn't visit with you and your family very much when I was young, I did have the opportunity to get to know you more as an adult. I recall taking my mom-your sister Rita to many visits with you and June during to 1980's and 90's. Mom spoke very highly of you, as a brother.

She greatly admired you, as she faced many challenges in her own life path. I recall her stating how you helped guide her, in her own life altering decisions.

During part of the time of these visits, you helped me as I was working on my MBA. I was blessed to learn more about you, and your experiences at Dow. I appreciated the Denny's coffee and pie times and your business as well as real-estate insights.

You have a precious large family, yet you faced struggles such as the loss of your son Jerry to AML.

May the love of your children, your son Jerry, your brother Peter, along with your sisters Lucille, Rita, Margaritte and Roberta (Bobbi) guide you with God to heaven in order to rest in eternal peace.

Love Jo Lynn Preston-Alex (Charron)
