

Timothy M. Green

October 23, 1959 - April 1, 2026

Timothy Michael Green, age 66 of Lake George, passed away at his home on Wednesday, April 1, 2026, surrounded by his loving family. On October 23, 1959, Tim was born one of two children to Nicholas and Theresa (Ward) Green in South Bend, Indiana—the beginning of an adventurous life. At the age of seven, Tim’s family moved to Belize, Central America, where he grew and lived well into his adult life. In Belize, Tim graduated and attended community college, began his work career as a sand yard operator, and grew to love the local culture and cuisine before moving back the U.S. where he found work for both the J. Rawl and Boyle Brothers gold mining operations. While living for a brief time in Florida, Tim met the love of his life, Donna Morrow, and they were united in marriage on Tim’s birthday, October 23, 1997, in Naples. From there, Tim and Donna enjoyed their honeymoon to Belize and just happened to stay until starting their family. In 2012 Tim and Donna moved to Lake George, where they have called home ever since. Tim was an avid fisherman and enjoyed sailboats. He liked hunting deer, squirrels, and Central American gibnuts and loved passing time by perfecting his knot tying skills with his large rope collection. However, those that knew Tim best knew that time with his family was his most cherished, and he will be missed by them deeply.

Tim is survived by his loving wife Donna Green, his daughter Rebecka Green, and his grandson Leviticus “MJ” Coburn, all of whom reside in Lake George. Tim is also survived by his daughter Kimberly Green and her three children.

Tim was preceded in death by his parents Nicholas and Theresa Green and his brother Tony Green.

In keeping with Tim's wishes, cremation has taken place. A celebration of life is to take place as well. Online condolences and memories may be shared on Tim's tribute page at www.stephenson-wyman.com

“ *Tim and I were half brothers. Havent spoken to him for years, but he was always loving towards me and was funny as hell. One of the driest sense of humors you would have ever encountered. Rest easy brother. See you in Valhallah* ”
