First I would like to tell the family how sorry I am for their loss. I first met Tim at Gateway Lanes Bowling Alley when he brought two of his grandchildren in to bowl. I was coaching the children and Tim would want to just talk and talk and talk, so when I told him I had to coach the children, he would try helping me. Tim had a gift to gab that was for sure and he always tried making people laugh, and he did a great job of that too, it was always nice to see him come to the bowling alley rather it was to bring the grandchildren in or to bowl himself. We will all miss him. May he rest in peace and watch over all of us.
