“ A very sad day for so many, but when you read all of the tributes and comments, it is quite obvious that Todd's life was full, eventful, and helpful to so many. That is all we can do, and he did it very well. My thoughts are with all of Todd's family in this difficult time, but be lifted by what he did and how much he did for so many people.

“ I was deeply saddened to hear about Todd's passing. I know what a difficult time this is for you and I offer my sincerest expression of sympathy and wish for you God's strength, peace and comfort. I will fondly remember Todd's bright smile, great sense of humor and passion for life, his work, colleagues, family and friends. He was the consummate professional, but also prided himself on being a great friend. He was that to many. He will be tremendously missed, but never forgotten. Todd's shoulders were so broad that many are standing on them. What a man! Draw from your precious memories. The sun will shine again. You are in my thoughts and heart.

“ Todd was a member of our Clare Public School Bands from his 6th grade through graduation in 1980. He was an outstanding clarinetist in the concert band and played a mean tenor sax in the jazz band and was a huge part of the latter band's "Best Sax Section Award" at the 1980 CMU Jazz Festival. A highly motivated student in all regards, Todd was destined a success in real life. He obviously was. I had no more eager student than Todd. I am doubly saddened for he was going to receive my personal invitation to attend the Gateway Community Band 2014 Irish Festival Concert to hear one of his favorite band pieces simply titled "Suite" by Hector VillaLobos. It now takes on a memorial tribute from me for him and my poignant memories of Todd. May he rest in peace and the peace that passes all understanding come to his family.
