

Todd Umphrey

November 22, 1970 - February 17, 2018

Todd Umphrey was born on November 22, 1970 and passed away suddenly on February 17, 2018. His loved ones grieve the loss that came much too soon.

We as friends and family have been so dearly blessed to have known Todd for 47 years. He will be remembered for his incredible sense of humor and contagious laughter. Todd's presence inspired the making of treasured memories. His most prized accomplishments will always be his daughters Rebecca and Samantha of whom meant the world to him and made him so proud. Beautiful friendships made throughout his life resembled the connections of family, which he cherished as though they were.

Todd is survived by his father: Ronald James Umphrey, Siblings: Bryan (Cindy) Umphrey, and Amy (Dan) Byrne, two beautiful daughters: Rebecca and Samantha Umphrey, many Nephews and one Niece: Jeff, Mike, Bryan, Mark, Brad, Nate, and Emily-Rose, an Aunt: Janet Strohkirch, Grandma Sprowl, as well as many close friends and their families. He is preceded in death by his mother, Patricia Ann Umphrey.

Todd will be remembered privately by family and friends at a burial service in the spring. Our family wishes to convey the following thought following his death: "No, you aren't alone. Yes, we all feel this way sometimes. No, you

won't always feel like this. Yes, the world is a better place with you in it.”
Taking this into account, please reach out to a family member, friend, or
stranger today and let them know someone cares. Arrangements were
handled by the Clare Chapel of Stephenson-Wyman Funeral Home. On-line

“ *My sincere condolences to Todd's family, especially his beautiful girls. I had the honor of teaching Rebecca and Samantha when they were in 5th grade and Todd was always the first to volunteer to help out when he could. It is my wish for all of you that you remember the wonderful memories you made together and that you never forget his contagious laughter.*

“ Our deepest condolences to his beautiful daughters Rebecca and Samantha and the rest of the family. We met Todd through Jason and Raegen. Todd was like one of the family and he will be missed dearly. Our son Joey loved being around Todd and his quick wit. Todd was always able to talk to the kids like he was on their level. He had a great sense of humor and was a special guy. RIP Todd!

Thanks for sharing Valerie, our thoughts and prayers go out to the Genovesi family as well. Thanks to all of your family that provided Todd with such a sense of belonging. Who would have thought that a simple friendship formed so many years ago with two guys could have lead to so many wonderful memories. Thanks again.

“ Todd was one of the very few guys that would attend my Body Blast class at Clare Family Fitness. He even got his daughter to come a few times.

I always admired how much effort he put into our workouts, and always with a smile. He will be missed.

“ I was very sorry to learn of Todd’s death. Please accept my prayers and condolences. I remember Todd for his quick wit and fun-loving ways. We weren’t in the same class but HHS was a close-knit community. We all knew each other and it makes me sad to know he’s gone all too soon.

“ I haven't seen Todd in a long time...since high school. I remember him from gym class though in middle school. When it came to dodge ball, he was always out to win. Some of the bigger kids would aim for me because I was easy to take out. If he threw the ball at me, he never seemed to blast me like some of the other bigger kids.

He was always nice to me.....even as geeky and nerdy as I was. Middle school was 35 years ago, but I will always remember the genuine kindness that Todd had. The world was a better place because he was here.

“ Todd and I were best friends in school, and I can't think of my childhood without thinking of him. I remember the first day we met in first grade, and the last time I saw him was at my wedding 25 years ago. He is a part of who I am, and I loved him like a brother. Time and distance caused us to lose touch, and I deeply regret that. But I will never forget how much fun we had together, and what a positive influence he had on my young life. He had the best Ronald Reagan impersonation I have ever seen, and about a dozen others that would leave a room in tears with laughter. We also had many fishing trips, football capers and karate matches together. I remember them all fondly. Love you Todd, and love you Umphrey family. Our prayers are with you all.

I have many fond memories of you including the Everclear night, parties at Putman's house, and our trip to Canada. Your smile and laughter were always contagious. “ I had only known Todd for just over a year, from the gym. It was always so sweet when he brought his dad into walk, while he worked out. After he decided to take his job on the road I really missed him. He was always sending a text to make me laugh and put a smile on my face, I wish I knew you were hurting my dear friend. It breaks my heart. My heart breaks for your girls and family . I am sure your mom met you at the gates with a hug only a mother can give... ❤️U

“ Reading this obituary breaks my heart. I only knew Todd through our school years, but I can only assume that his big heart, big smile and big laugh carried with him into his adult life. Thank you to the Umphrey family for the brave words you've published in this obituary. We probably all know someone who could use some encouragement or kind words and to know that someone cares. Hopefully, we all reach out to at least 1 person, in Todd's memory, and try to make a difference in someone's life. My thoughts and prayers are with you in this time of sadness.

“ My condolences to Todd's family. I'm sorry for your loss and pray for comfort for his children. He was a nice man with a great sense of humor. My fondest memories are working with him at Ashcrafts market when we were in high school. The best one though was when he tried to teach me how to drive a stick using his own car. I'm forever grateful for knowing him.

I am so sad to learn of Todd's death. My heart goes out to all of his family. He was a student of mine many years ago. I always remember that he was kind and funny in a pleasant way. I saw him a few years ago when he came to the superintendent office to enroll kids, I think. I immediately recognized him even after so many years. He had a very distinctive smile. God bless the Umphrey family, and may Todd rest in peace.
