“ Tyler,

Can't believe it. I have a lot of wonderful memories from Hatton House and Mission Mansion. You were always such a positive person, even when your car got wrecked that you had put so much time into. I have since strived to keep a bit of that positivity in myself, with you as an example.

High stakes darts, chilling on the roof, cutting up with you and Tommy. Damn. Can't believe you're gone. It was such a lovely experience knowing you; and to Aaron, Tracy and Dave: I'm so sorry for your loss. Thank you for giving me and all of Tyler's friends a comfortable home and being so gracious to me while I lived there. I valued anytime I got to converse with the three of you because I liked Tyler so much, and could see the family unit that shaped him and was shaped by him. Much love. Rest easy, Tyler.

“ Tyler was a good friend and I am glad I had the chance to grow up with him from 1st Grade on. I have many fond memories and will never forget running around and terrorizing the neighborhood of White Birch Lakes as kids and where he grew up. I always looked forward to going to the Couturier household during Christmas time so I could see their Christmas tree as it would always stand 12Ft+ tall and could touch it from the balcony on the second floor of their house. Tyler had an amazing soul and was kind and always lived life to the fullest. I will miss you Tyler, until we meet again..there is some pretty Amazing people up there..Rest Easy My Friend. - Faughty-

“ Tyler was the most genuine, sweetest friend. He supported me when I was down, brought a smile to my face when I was sad & kept me adventuring when I was idle. I look back on our time as roommates very fondly— even when he would throw firecrackers at me from the roof when I got home from work :)

Tyler’s energy will be missed but never lost. My deepest condolences for the family, much love and sympathy in this time of loss. I am so sorry.

“ Tyler always was making sure people laughed and had a good time in school. If he seen someone down and out he would turn it around to make them smile. Always talking about his snowboarding and everything.

“ You never know the memories that live deep within until you lose someone who you made those memories with, Tyler brightened up every single situation he was in whether it was in school or in public he could always turn a negative into a positive and put a smile on anyone’s face! You were a brilliant and kind human being Tyler and the void that has been created in society by your loss will not be easy to fill... I hope the chairlifts never close and you are enjoying the freshest powder up there my friend 🙏

“ Tyler holds a special place in my heart. He was my friend from early on in school, starting in middle school. He made everyone feel good about themselves and knew how to put a smile on your face. Like others have said, there is no one that can truly speak ill of him. Such a kind & smart guy. I will miss you Tyler. Say hi to my Izzy. Have fun in paradise 🍷

“ Tyler,

You were an awesome person. We always had such a good time together growing up. I wish that we would have been closer as adults. I used to think you were so cool and wished I were more like you. Holidays were awesome because you were there. You made everything seem so much more fun. You always so funny! Wish I could be there with the family to celebrate your life. You are extremely smart and an all around great man. Your going to be missed by your awesome parents and brother, your family, and your friends. Your a person I know I'll never forget.

Love your cousin,

Casey

“ With deepest sympathy,

Tyler was an amazing friend that I have had the privilege to know through highschool, into adulthood and side-by-side working under two different employers.

Coot was one of the most humble and intelligent people I've ever known. He was always there for me when I needed a friend and he was always there to listen or lend a hand if needed.

I have never known anyone to ever speak an ill word of him. All around, everyone knew who he was and anyone who came into contact with him didn't have a bad time. He always knew how to make anyone laugh.

He always looked out for and would check up on me when we would spend a lengthy period without talking and I'm deeply saddened, as I'm sure anyone is over hearing this news.

*I love you Ty

“ *Tyler was one of the most genuine person I have ever had the pleasure to call a friend. He would drop anything to help a friend in need and would always lend an ear to listen or let you vent. He had a positive attitude and I will always cherish the moments we had together, whether they were big or small, they will always have a lasting impact. The world lost an amazing person person and he will be missed by many.*
