“ Our thoughts and prayers are with the Green family as they say goodbye to one of the kindest, caring and giving woman I have ever had the pleasure of knowing. I have known Mrs. Green since I was very young and would come to visit my Aunt Cindy and Uncle Dale. She was always cooking up something and would always take the time to sit down and talk to you. She was loved by all that knew her and will be greatly missed. She will live on in our hearts and memories. God Bless you Mrs. Green - now you can look over all of your family from above and be their guardian angels. With all our love, Brenda Girdley and family!
