“ Aunt Vera....we will miss you! You were such a part of my childhood, as you nurtured us all with your spunk and vitality. I remember the times when you raised bunnies, my those hutches were full of rambunctious rabbits! The times spent in the river down the road, riding bikes (and tractors) to spend time with our cousins, and the foolish things we did to get into trouble. You were always there. How did you braid those perfect braids, each and every time? Thanks for the times at the fair....putting up with missing kids and such. I love your Molasses Cookie Recipe, it is the best!!! You were a special aunt and the love you shared with me, will always be remembered. Say hello to Uncle Roger and my dad, Charles.....love and miss them so much!

“ I am really sorry to hear your mom passed, I remember my parents had really good times with your parents at the steam engine shows in Buckley, and maybe, if I remember correctly, they also took a couple of road trips with their 5th wheel campers and totally enjoyed them also. Please let me know if there is anything I can do, even if it's only to talk about your great mom, whom by the way, dried Karen's clothes in the dryer instead of on the clothes line. That tells me she really was a great person and mom. Sending lots of love your way, Cheri Brown. So sorry I didn't know in time to visit.
