

## Vickie L. Ervin-Dunkle

May 3, 1953 - July 28, 2017

Vickie (Ervin) Dunkle passed away on 7/28/17, at Woodland Hospice in Mt. Pleasant, Michigan.

Vickie is survived by her 3 Children who meant the world to her; Deena (Bill) Dunkle of Saginaw, MI., Shaney (Craig) Bender of Albion, IN., and Bo (Melissa) Dunkle of Harrison, Michigan. She also has four beautiful granddaughters, Kaelyn, Alyvea, and Raegan Bender, and Tayden Dunkle. She is also survived by her 3 siblings, Jerry Ervin, Deanna Poma, and Cindi Woodin. Vickie was preceded in death by her son, Gunnar Dunkle in 2005. Vickie had a passion for gardening, and anyone who knew her probably knew that was her “thing,” and if she could do anything it would be planting or digging in the dirt! She was most recently employed by Benchley Chiropractic up until her illness last August. She always enjoyed working for Dr. Benchley, and all the patients that came into his office.

Vickie has been a lifelong resident of Clare County. She graduated in 1971 from Farwell High School. She will be missed by her family and friends. In lieu of flowers or gifts the family, and Vickie, would like you to make a donation to the Woodland Hospice House in Mt. Pleasant, MI., or to any local Cancer Fund in your county in memory of her or anyone touched by Cancer in your own families.

Per Vickie’s request there will not be any funeral services. Arrangements were by the Stephenson-Wyman Funeral Homes. An online condolence register is available at: [www.stephenson-wyman.com](http://www.stephenson-wyman.com)

“ *Peegie, we used to laugh about how I wished and prayed for you to come into this world. I wanted a baby sister so badly. When you were born, I was almost nine; and filled with joy. Mom showed me how to sew a baby quilt using fabric cut from her maternity tops. You used that quilt for many years. When you were almost one years old, we spotted a beautiful little red velvet dress in a store window. I used my allowance to buy it because it was meant for you. Mom had your one year old baby picture taken with you wearing it. You looked so adorable. When looking closely at the picture, there was a tiny little tear drop on your cheek. (you weren't happy about having your picture taken.) When we lived at the lake I used to ride you around in the basket on my bike with a doll blanket in it to cushion your little legs. You so loved to ride. As time passed, "life" happened. We grew up and went our separate ways, but the memories I have of you as a child, I will cherish forever. I Love You! Always have, always will.
