“*Montini family: Lou and Vi Montini (for that matter all of the Montinis) will always have a special place in the hearts of the Tracy family! As I think back to being a young boy and celebrating some occasion at the Montini house or at our house, the event was made special by the people involved and at the forefront of every celebration was Vi. I treasure those memories and I feel honored to have shared them with all of you.*Chris##imported-begin##Chris Tracy##imported-end##

“ I met Vi when I was newly married in 1958. I was away from my family in Colorado and Lou and Vi just made me feel like family. No matter how often we visited, they always made us feel so welcomed. My children looked forward to visiting the Montini household where there was so much activity. Somehow, Vi was always able to keep every thing under control and she made it look easy. She had such a warm personality and we will always have a special place in our hearts for her because she was so special. She will be missed. My husband and I were so lucky to have Vi and Lou in our lives. A donation will be sent to the Nursing Home. Love to all of you from Phyllis, Danica, Demyn and Kirstie.###imported-begin##Phyllis Plantenberg###imported-end##
