Tribute Wall

“ *Walt - I just saw the news of your dad's passing, I so sorry. I have such great memories of him! One of my favorites was playing the quarters game on your kitchen table (he never showed mercy!). He always had a great smile and loved giving me a hard time, though the fun part was dishing it back at him!! I know how much you loved him... may you have peace and comfort knowing he is always with you in spirit.*
