“ Me and Tommy Moose would go to Billy’s house to pick him up on weekends, and Mr. Burns would always tell us that he was glad to see us. BUT, before Billy could go anywhere there was a few chores he needed to do at the farm, and that it would go much quicker if we would pitch in and help.

Well, after about 4 hours we would be done, but very tired and hungry! Mrs. Burns would have a nice dinner ready for us, (not sure how she knew we would be there for dinner). Usually an awesome roast beef or something just as good.

We would enjoy a great dinner, then we were free to go on with our day, or evening as it turned into.

I enjoy lots of memories from those days, would not trade a one... but still can’t help wonder if they were planned way ahead of when me and Tommy came out.

What a great guy, he will be missed. He always would speak to us, never talked down to us and always made us feel welcome.

“ As a local police officer assigned to work narcotics back in the early 1970's, I had the good fortune to meet Bill. Over the many years, although we worked in different offices and in different counties, I often called on Bill for his assistance and knowledge. I am forever indebted for his friendship and leadership.

“ Burns family my thoughts and prayers are with you! Lost a great sheep man, superintendent and a very wonderful man. Memories of the shows with Bill will always bring a smile to my face. He took me to my first Detroit Tigers game with many other kids that were at the old Michigan State Fair. The Bill Burns stories are endless and the memories live forever.

“ Shirley and family--My thoughts are with you all at this very difficult time. I have many fond memories of all the time spent at your house from early on in my life. I remember being afraid of Bill when I was very young, especially when he would come home after working undercover with BAYANET (he did not look like anyone's father). As the years went on and I grew older, I learned that Bill was an amazing man, husband, father, grandfather, and friend! I learned a lot about lots of things from all of you, especially about raising sheep. I will never forget the summer I spent with Cindy on the fair circuit showing open class, it was an amazing experience, especially for someone as young as I was! Bill always pushed me to try harder and work harder with my sheep, even though I hated it at the time, he was right and it did pay off! My mother was very lucky to have a friend like Shirley and her whole family. Please know that you are in my thoughts and prayers, all of you! Rest in Peace Bill.

“ Shirley and Family, A tall timber has fallen... Bill commanded and deserved so much respect. What a great man, a mentor to all who came into contact with him. Life as we know it is bigger and better thanks to Bill. His dedication to his community is only one of his legacies. Capt. Burns, may God grant you peace throughout eternity!

“ My sincere condolences to the Burns family. I worked for Bill at the Bay Area Narcotics Enforcement Team (BAYANET) and considered him a fine mentor and friend. Bill was a phenomenal investigator/detective. His unique management style ("don't sweat the small stuff") created a loyal following among the officers under him. From shutting down nuisance drug houses; to dismantling complex drug trafficking organizations; to investigations of prescription drug fraud; to arresting street level dealers...Bill engineered it all. He could have written a book. He should have written a book.

Bill Burns got things done and made law enforcement exciting. The mold has been broken.

Sincerely,
