“ *Mr. McFarland (Bill) was a wonderful man surrounded by a wonderful family and many friends. He touched many lives, including my mother, Betty Barnhart. Mom talked often of both Bill and Helen, and the few times I met him, he made me laugh. Just the mention of his name, and everyone in Coleman knew who he was. My prayers are with you, Helen and your family. I feel very blessed to have met him. Through mom's stories, I feel I know him better than just the actual time I spent in his presence. Bless you, Helen for your loving care and take comfort that God is with you.*
