“ Grandpa, you are my hero and I love you so very much. You were more than a Grandpa to me, you were a father figure, a friend, and someone I could depend on. My heart is breaking knowing you are here for me to touch but it rejoices that you can now see and are healthy and with God. You were one of a kind and you will be missed. I love you Gramps.##imported-begin##Frances and Dustin Owens##imported-end##
